**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This administration has done enough damage to real private enterprise competition. Please do not limit broadband competition by taking away the access of all providers to access to unbundled network elements.

Sonic, here in Sonoma County California needs access last mile copper networks.
